You will need 4 lessons at 90 minutes to finish. Once you are done, I will submit all your documents and the state will issue you the Certificate of Completion on your driving record. If you paid for 8 hours, you will need to let me know and I will schedule your final 2-hour lesson.

Note 1: If there are no openings right now, I will open up more in the very near future/holidays. If you have a weekday off and it's not available here, please reach me at 773-683-8402 and I can manually input you if I have an opening.

Note 2: To schedule a Cooperative Driving Test or Teen Road Test Waiver, you will need to reach out to 773-683-8402 and schedule it out minimum of 2 days. You can not be cancelling last minute or your student will lose the ability to schedule a driving test.
